Dear Kenny Pratt,

We simply want to thank you for shipping with Troll!

Our ultimate objective is to save you time and money on all of your Airfreight, LTL, Full Truckload, and Partial load domestic shipping needs. We will do whatever it takes to ensure that you know how much your business means to us. Our goal is to save you money on shipping costs, while also extending the arm of service to you personally. We will save you time by helping you manage your freight needs. We don't just do quotes and pickups. We will also track your freight until it delivers, ensure that it is billed properly, help you with any issues that arise, and we'll give you full visibility of all of this over the web!

As you become more familiar with our services, we hope that you enjoy working with us here at Troll.
